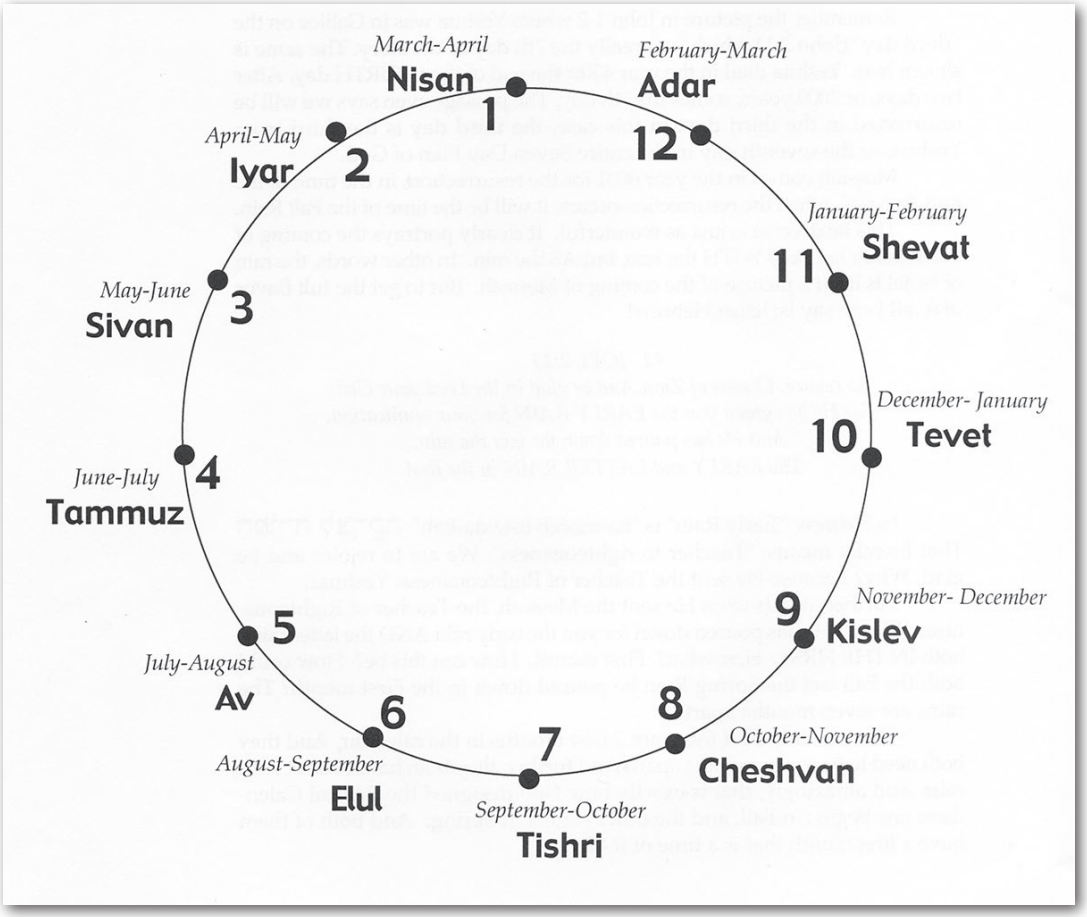
The following graphics were created to communicate visually many concepts I have learned over my 20-year journey to align with our Jewish roots and understand God's times and seasons.

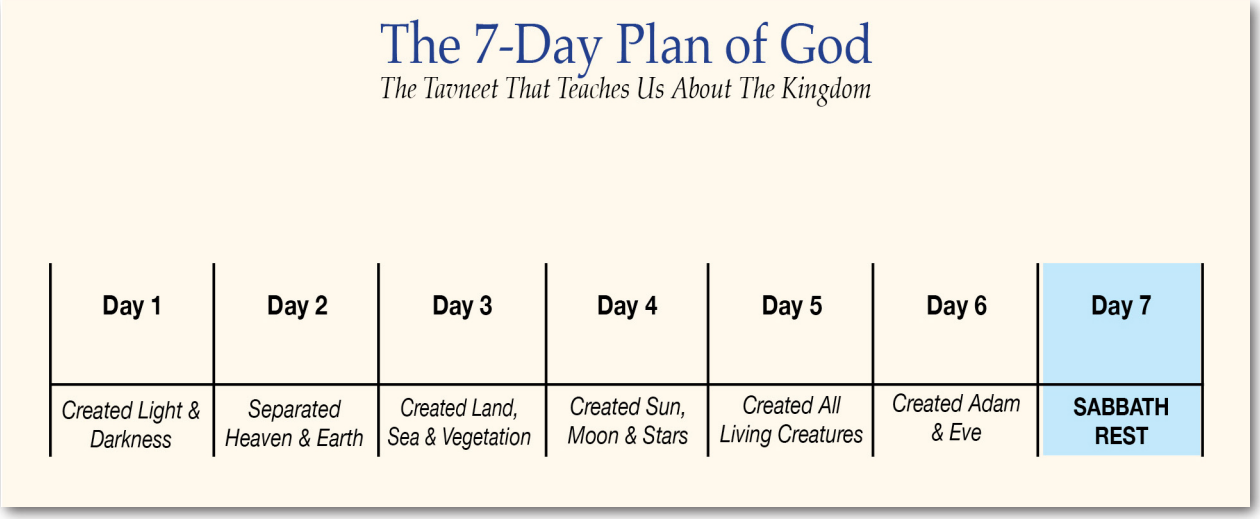


The calendar GOD set up for His people in Exodus 12.

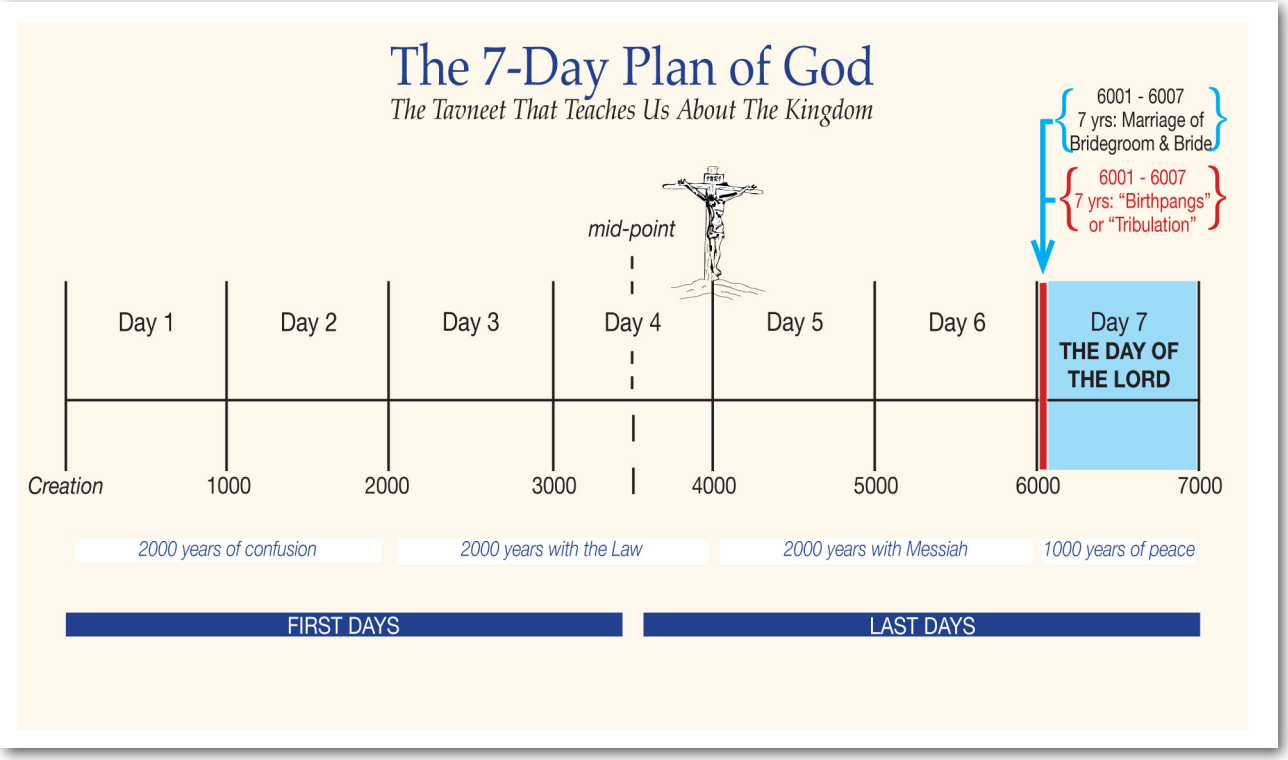
MONTH 1
NISAN *(month of Passover and the Exodus)*

MONTH 7
TISHRI *1 begins Holy Week when Messiah comes at the First Resurrection (i.e., Rapture) and the Birthpangs begin (i.e., 7-year Tribulation).*

Hebrew months are read counter-clockwise.



The tavneet (Picture) showing us this 7-Day Plan of God is found in Genesis 1.



Rabbi Michael Washer quotes the Talmud showing what first century Judaism believed about the plan of God: "The world will stand for 6000 years: 2000 years of confusion…2000 with the Law…2000 with Messiah and 1000 of peace." (Source: When All The Pictures Are Restored)

Insight emerges seeing this tavneet overlaid with the Menorah, which depict the Seven Spirits of God: the Spirit of the Lord (Mercy) connects to the lampstand, surrounded by the Spirits of Wisdom, Understanding and Counsel on one side... and the Spirits of Might, Knowledge and the Fear of the Lord on the other side.

This graphic changed my life:
THE LEVITICAL ENCAMPMENT

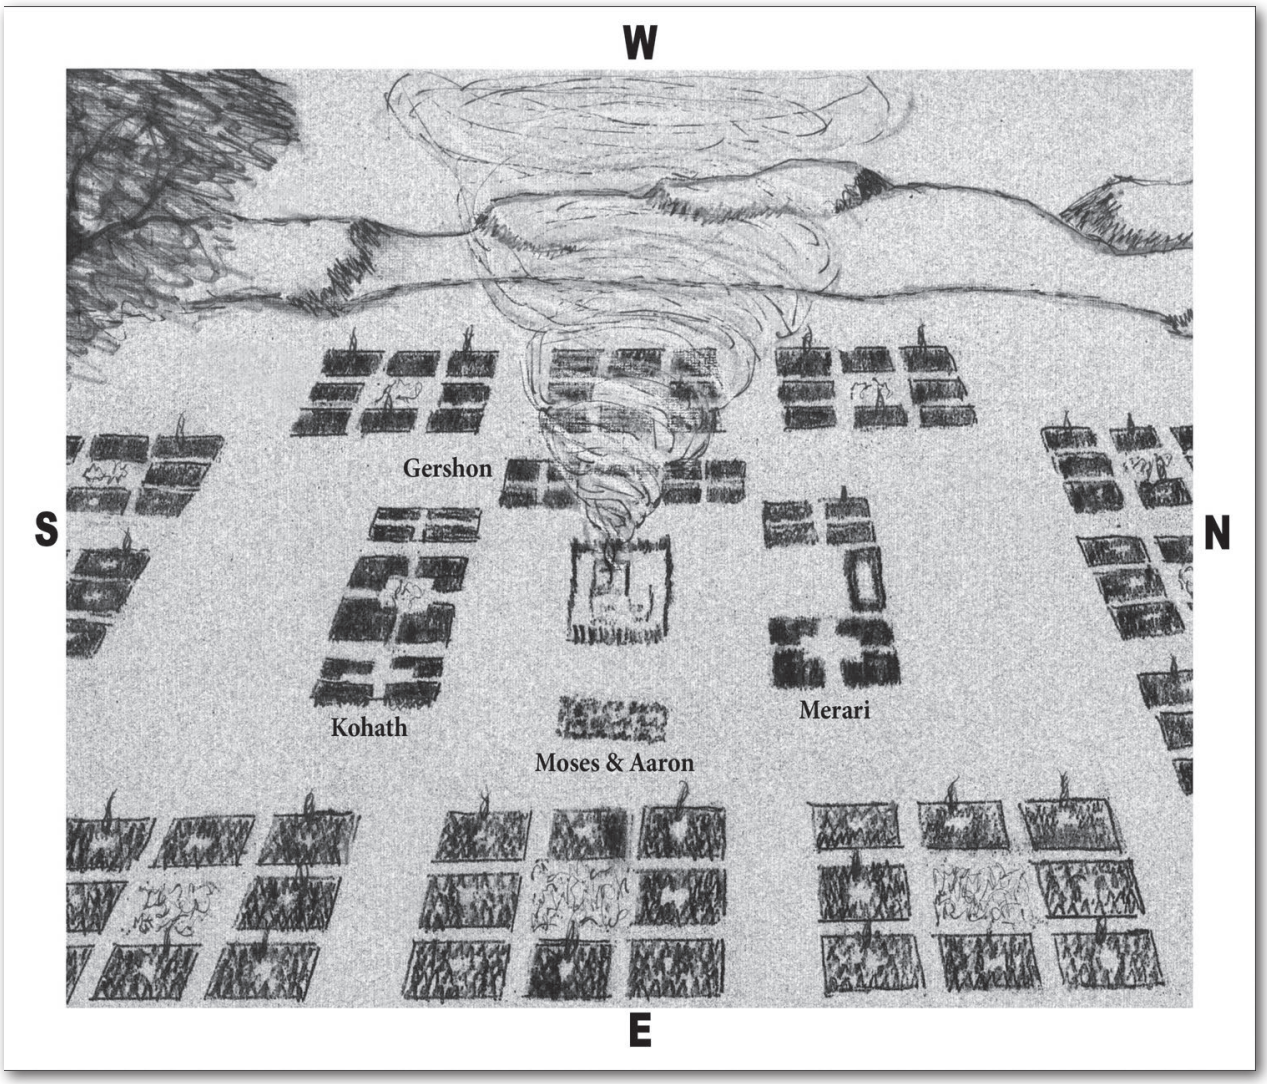

Illustration by artist, D'Ann Medlin, used by permission.

*This was the way God arranged His people to live...**not every Jew...only the 20% who left everything to follow Moses to the Kingdom.***

God HAD TO HAVE a Levitical people (represented by the 3 Levitical families of Kohath… Gershon…and Merari. Because of God's Holiness, they were required to go through more refinement and testing than the other tribes. They were His Royal Guard.

This is who I believe Messiah is coming for at the Resurrection (Rapture). Do you see yourself here? All those taken early will assist Him in building the Messianic Kingdom. If you are taken, your place would either be under the oversight of the Levites assigned to minister to God's people in some way…OR, you will be under the oversight of one of the 12 Tribes helping to build, manage, steward and govern the Kingdom.

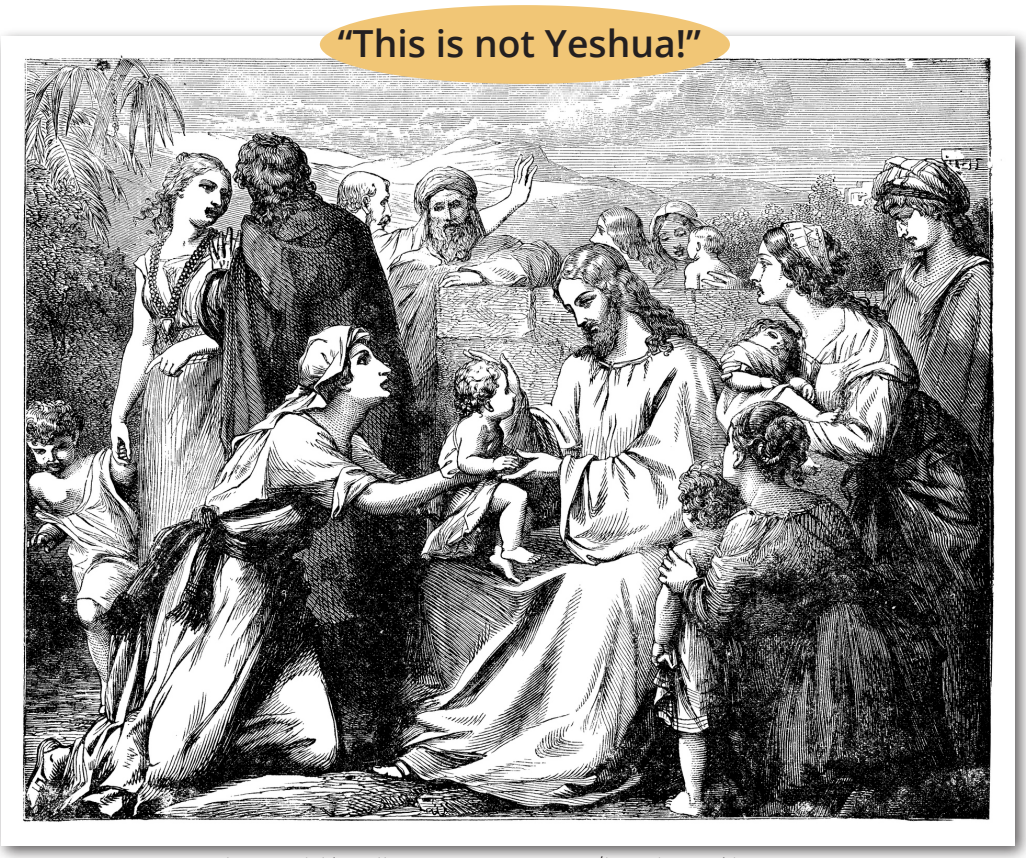
TRANSGENDERISM, PART 4 (The Transgenderization of Jesus)



Jesus Blessing Children illustration. Getty Images/benoitb. Used by permission.

These illustrations are critically important for Christians to understand. Our Messiah – Jesus of Nazareth – was a Jewish Rabbi! His hair and beard had to be according to the Torah's description of how Jewish Priests were to look.

Hellenism has made billions off of a "false christ" image and deceived many. Our Torah portion, ***Miketz,*** *teaches that at the end of days, the beloved son (depicted by Joseph) will be reunited with his "brothers" (i.e., the Jewish people) - once Egyptian clothing (Hellenistic garments) is removed.*

The world is waiting for Gentiles to restore to the Jewish people their JEWISH MESSIAH.

This is the gospel they will hear! *Learn the complete backstory in this 24-page monograph:*

This photo represents what Messiah could look like in today's world. Notice his hair is short, head covered, long beard, p'aht (locks) at his temples. This is a Jewish man! Getty Images/Chalffy. Used by permission.

If you study a satellite map of the Temple Mount area, you can see the letter "Shin" outlined by three valleys surrounding the Mount.

The letter Shin represents the word El Shaddai, which is one of the names of God and that Name is engraved into the landscape as He tells us in 2 Chronicles 6:6, "I have chosen Jerusalem for My Name to be there."

JEWISH BREAST

CHRISTIAN BREAST

These two Mounts are like breasts within the Shin. God desires "that you suck and be satisfied with her consoling breasts." They represent the Torah and Holy Spirit.(Isa. 66:11)

Devout Jews draw nourishment from the fullest portion of the breast which is the Torah...the front part of the breast is what Christians experience having the gift of Holy Spirit. God's desire is to be nourished by BOTH!

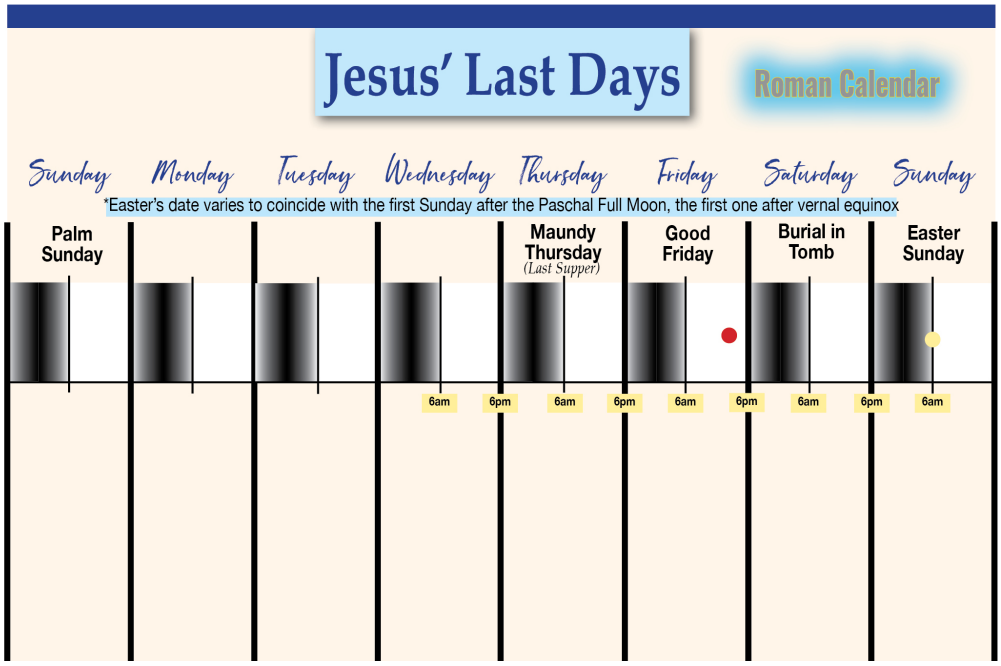
On the left are the dates God specified for Holy Week on the Hebraic calender.

Notice that God is specific as to dates which gives us a picture (template-pattern) to follow "for eternity." They do NOT change.

Nisan 10 during Jesus' day just happened to be on Sunday; but whenever the 10th is, that is the start date.

The actual Exodus began on Nisan 15th.

The Lord expects His people to meet with Him during each of these appointed times - which are Pictures (Tavniot) teaching us about Messiah and rehearsing what is to come.



Notice on the Gregorian calendar (followed by most Christians), there is no link to the month of Nisan...the date varies.

This puts the Last Supper on Thursday which is when Messiah was crucified...not on Friday.

To fulfill Jonah's prophecy, His body had to be in the ground a portion of 3 days, which is not fulfilled here.

Remember, a new day begins at sundown the night before. Thus, the dark portions depicted are night. The Roman calendar severs us from our Jewish roots - such as in 2024 when Christians celebrated Holy Week 26 days early, while God was meeting with His people during Purim. The Lord has been actively warning Christians saying, "You're on the wrong path!"

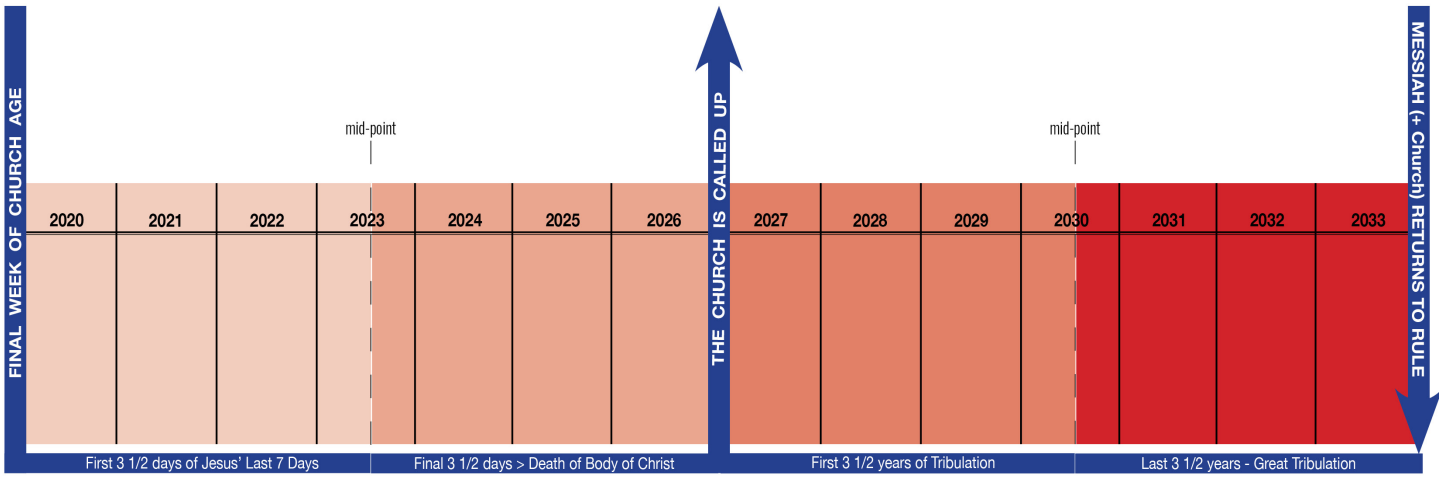
Above depicts the Biblical Week of Years that we find in Daniel 9:27, Daniel 11:30-31 (key to the revelation of "The Ancient Snare" and the vaccine rollout)…also in Matthew 24, Revelation 11 and Revelation 15. This 5-step pattern drove my search to see if there were a similar pattern from 2020 - 2026. Note the severity of the first half of the week is less intense than the final half.



Because the Lord repeats patterns throughout Scripture, I began to project that He might give us a "7-year rehearsal" of the 70th Week that would more specifically impact followers of Jesus arriving at the end of Church Age…similar to what Israel will endure, only less severe. Might we see a similar same pattern in the time we're living in now?

I am not alone in believing that something horrible – and global – occurred in 2020 that threw our world off its spiritual axis. In my monograph "Uncovering The Ancient Snare," I detail how this pattern emerged and give dates and confirmations on many similarities to the events in Daniel 11.

*What Antiochus Epiphanes did to pollute the Temple leading to its destruction is eerily similar to what happened when genetically modified material was injected into the bodily temples of millions of Jews and Gentiles alike. It began during the festival of Chanukah - "The Feast of Dedication of the Temple." If the "material" included DNA from Satan, then it would be an Abomination of Desolation because DNA is an "exact likeness" of a "god." This would put us into the "days of Noah." (***Restoration instructions for those who took the vaccine are in this "Final Week" series.)*

*The exact same pattern unfolded in 2020...during Chanukah: the first shot was given in Israel… first shot given in the UK…first shot given in the US. The "2020 Alliance" with Pfizer offered Israel enough vaccine for **every** person in exchange for Israel sending **them** the biometric data on **every** Jew.*

Other signs of confirmation include the rise of antisemitism (2023-24)…the Hamas attack exactly mid-way through the "week"…and the explosion of evil and chaos which gets worse by the day.

I could teach an entire course off this one graphic....so don't be overwhelmed by it. It represents the 7-week period between the First Fruits Festival on Nisan 17 (the day of Jesus' resurrection) and the Festival of Shavuot. Keep this number in mind: 7 PERFECT WEEKS!

There are two harvests: at the beginning (Barley)… the other at the end (Wheat).

Counting the Omer is a tavneet showing what happens to the grain in the 5-step process to becoming pure and worthy to be offered to the Lord at Shavuot. These 5 steps are pictures of the 5-fold gifting that Messiah left us after His resurrection. Each person was given one of these 5 gifts.

This deeply Jewish concept shows us perfectly that there are TWO separate harvest (of souls) in the Redemption separated by 7 years. ***HARVEST #1*** *comes at the end of the Church Age, after the "Barley" has gone through these processes and found worthy to be taken at the Resurrection.*

Those left behind will endure the 7-year Birthpangs, along with the nation of Israel (God's precious Wheat) and they will go through these processes which will be more intense. Those who remain will be taken at ***HARVEST #2*** *when Messiah comes to establish His rule over the earth.*

This is my current illustration for this final week. It is still a work in progress as additional insights come. Part of my calling is to communicate the complex into something others can grasp.

This is for your eyes only. Remember, I am a chronicler of the prophecies that are unfolding before our eyes. I have decided to share this now before I am gone.

If the Lord gives you insight and you see other things...fine. That is ***your*** *insight...and your responsibility will be to communicate those in your own way to those who look to you to teach them.*

Space did not allow me to extend the 7-year Birthpangs because I want to focus attention on the final 7 years of the Church Age.

As you can see, we are now in the final year, which is why I'm looking at Tishri 1 (Rosh Hashanah) as the possible date of Messiah's coming to the clouds for HARVEST #1. That date is September 12, 2026 (which will actually be 2027 on the Hebrew calendar).

Everything I am doing is preparing for this timeframe. If you are one of the unfortunate ones who believe we "are not supposed to know," I refer you to Exodus 12. God told His people the exact date and time when He was coming to deliver them and transport them supernaturally to meet with Him.

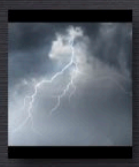
Above was the original Civil calendar in use until God changed the calendar at Exodus 12.

After Exodus 12, the Civil Calendar was used for the counting of years, determining Sabbatical years, and the years of the Jubilee. The Religious Calendar determined when to meet with God at the appointed times.



Key Points in Exodus 12 (Note the clues)

"The Lord said to Moses and Aaron in the land of Egypt, "This month shall be for you the beginning of months; it shall be the first month of the year for you. Tell all the congregation of Israel that on the tenth day of this month they shall take every man a lamb…it is the Lord's passover…and I will smite the firstborn that night…this day shall you observe as an ordinance forever.

…And you shall observe the feast of unleavened bread, for on this very day I brought your hosts out of the land of Egypt: therefore you shall observe this day, throughout your generations, as an ordinance forever."

The lessons are found in breaking out the tavneet of what happened to God's people at the final year they arrived at the Kingdom!

What is the meaning of the 3 huge events that took place?

Miriam died Nisan 10…Aaron died Av 1…Moses "died" on Adar 7 when God's people were standing at the edge reading to enter the Kingdom!

Espeially take note of the principle in Ecclesiastes 1:9, "What has been is what will be."
