Levitical Master Course "See As God Sees" - with Candace L. Long (MBA)

I am excited to announce the official launch of this new Levitical Master Course called "See As God Sees!" It represents over 16 years worth of lessons in what it means to walk closely with the Lord and attend Him in my areas of gifting.

Sadly, many Christian leaders believe Levites are not needed today; but in the last chapter of Isaiah, the Lord concludes with these words: "And some of them [Gentiles, part of the remnant who survive the Tribulation] also I will take for priests and for Levites, says the Lord." (Isa. 66:21)

Living so close to the Kingdom Age, this master course is much-needed training. We need to understand God's vocabulary...His timetable...and His language.
