Transcript of the Lessons in the Ladder Days podcast episode:

"Uncovering The Ancient Snare, Part 5" *(The Abomination of Desolation)*

I need to warn you: This part of the snare is deep, disturbing and diabolical. It uncovers the final piece that Daniel warned would come in the latter days. I have felt the urgency to get this message out, but it's been difficult to put together because I know it will not be easy to hear. I hope you'll stay with me because it contains the strategy for getting out of the snare if you or someone you care about has fallen into it! I pray this episode will set many people free.

First, I want to set the stage for where we are in the biblical timeline. Jesus said in Matthew 24 and Luke 17, *"As were the days of Noah, so it will be the coming of the Son of Man."*

He told us that what happens at the end of days when Messiah comes will be just like the days when Noah lived. I want to lay out for you two stages that unfolded in Noah's day. We'll look at those and then fast-forward to see if they are manifesting in our day.

NOAH'S STAGE #1

This stage involved the genetic pollution of the human race that began almost 6,000 years ago. Here are the 5 steps in how this unfolded:

1. 200 Watcher angels abandoned the place God assigned them and they came to earth.
2. Those angels chose to have sex with earthly women, mixing angelic DNA with human DNA and creating a new race of people called Nephilim.
3. These Nephilim continued to pollute the human race by intermarrying and they taught the people forbidden knowledge of how to mix one species with another through genetic engineering...which polluted the food supply and the whole civilization ended up being nourished by genetically modified food.
4. They mixed animal DNA, too - one species with another - producing hybrids. All of this made God furious because it destroyed His created order.

5. Genesis 6 tells us, "*The earth was corrupt (meaning polluted or defiled), for all flesh corrupted his way.*" (meaning *God's way*) The way God intended for His creation could not even be seen anymore.

NOAH'S STAGE #2

This stage describes what the culture was like. Here are 6 things God recorded:

1. The people refused to listen to any godly authority.
2. The earth was filled with violence.
3. The intermarriages of the mixed DNA population affected everyone but 8 people.
4. Sexual perversion was off the charts: homosexuality, incest, pedophilia and bestiality.
5. They robbed and plundered each other.
6. God had enough and started releasing judgments hoping the people would repent. The first one was food shortages.

Here's the bottom line: When these stages ran their course, God separated *His* people from that culture.

In studying the history of the fallen angels, I noticed how much they were involved in genetic experiments. Their own records from early civilization show that their Sumerian god (spelled with a little "g") was the chief scientist in DNA manipulation and gene splicing. This means that this technology is not new - it existed thousands of years before our biblical record was written. This is part of what's referred to as "the forbidden knowledge" that man was never meant to seek. God knew that once it was released, we would destroy ourselves just like in Noah's day. But the enemy has waited patiently for years and years for an open door for this technology to surface again.

Let's look at *our* generation.

TODAY'S STAGE #1

This stage began with an alien invasion, too - in the 1950's when beings from another world made a deal with President Eisenhower. They promised to give us their space travel technology if we would give them permission to do biological experiments on humans and cattle.

We have data from 1997 reported by the late Bible teacher and astrophysicist, Chuck Missler, and it shows that around 3% of the U.S. population had abduction experiences in which alien DNA was inserted into over 9 million people. With all the intermarriages over the last 60 years, the spread of this mixed DNA population has grown exponentially.

TODAY'S STAGE #1

Here is a 9-point overview that shows the same kind of increase in genetic pollution and in divine judgment.

1. **1935:** DNA was discovered.
2. In **1966** the church of Satan was founded. This was during the free love movement when young people threw away all sexual restraint.
3. In **1973** Roe vs. Wade legalized abortion to deal with the increase in unwanted pregnancies. This opened a huge door to divine judgment.
4. In **1980**, the Supreme Court voted to allow patents on living organisms. This opened another huge door to God's judgment. Corporations poured money into genetic research to create new species and investors got rich off this new technology.
5. **1982:** the FDA approved the first genetically modified organism - and over the next 40 years, like the days of Noah, our civilization is now nourished by genetically modified food.
6. God holds the U.S. most responsible for this pollution than any other country since we are the world's leading GMO food exporter.
7. I believe a correlation exists between the rise in numbers of our polluted DNA population and food supply on one hand with the explosion of perversion, violence and corruption on the other.
8. **1990's:** Scientists introduced genetic splicing technology and began cloning chunks of human DNA and manipulating them however they want to.
9. In **2001:** The human genome was published and DNA research, gene splicing, and mixing species has exploded...along with artificial intelligence, robotics and nanotechnology. Corporations and investors are making billions off this technology.

Here's our Bottom Line: Like in Noah's day, many believers who stand firmly against this direction no longer feel safe and are moving their families away from big cities, to hunker down as God's judgment increases.

HOW DOES THE COVID VACCINE FIT IN?

In Part 4, I introduced my findings showing that the vaccine is just like one of the snares that Amalek's descendants pulled off over 2100 years ago and how that same snare is showing up today in this vaccine rollout. Let me break down Daniel's prophecy in Chapter 11: 30 & 31 so you can see this more clearly. Here is the passage as written in most Bibles:

"Ships of Kittim shall come against him (referring to Antiochus Epiphanes) and in his rage ...he shall turn against the Jews...and arms shall stand on his part and they shall pollute the sanctuary...take away the daily sacrifice... and place the abomination that makes desolate." =

This prophecy was historically fulfilled in 168 BC when the Greco-Roman King Antiochus Epiphanes invaded Jerusalem, polluted the Temple and erected a statue of Zeus on the altar. Let's examine the Hebrew phrases Daniel used and interpret them metaphorically, since that is the preferred way that God speaks.

- **“The Ships of Kittim”** – In Judaism, *Kittim* refers to Rome - which delivered Hellenism to the world. The word “ships” comes from the word *tsavah* which means “to establish or set something in place.” Whatever this “something” is targets Jews and is motivated by intense hatred.
- Phrase #2 says, **“Arms shall stand on his part and they shall pollute the sanctuary.”** The Hebrew word for “arms” is *zeroah* which means “the arm as stretched out.” The Hebrew for “pollute” is *chalah* which means “to bore a hole in something, or open up a wedge” for the purpose of polluting! This is metaphorically what a syringe does...it bores a hole into a stretched out arm to deliver something into the body.
- Phrase #3 tells us *what* they wanted to pollute. Daniel said it was the **“sanctuary”** which is another name for the Temple. What does the word “temple” mean metaphorically? The Apostle Paul tells us in 2 Corinthians 6, *“For we are the temple of the living God; as God said in Isaiah 52, ‘I will live in them and move among them, and I will be their God, and they shall be my people.’”* Both Testaments teach that our **bodies** are **temples** that God wants to dwell in!

So metaphorically: **“Something is being shipped by Hellenistic one-world forces using arms that are stretched out...boring a hole through the skin to deliver something designed to pollute the bodies of people.”** This interpretation aligns perfectly with Daniel’s prophecy. To confirm this even more: both of these events – Antiochus polluting the Temple; and 2100 years later, the vaccine roll-out in 2020 – BOTH happened during the same time period on the Hebrew calendar: during the Festival of Hanukkah, which is also referred to as the “Feast of the Dedication of the Temple!” This is not coincidence...this is God’s marvelous metaphorical language to give us wisdom.

- In Phrase #4, these so-called **“armed forces”** have a metaphorical meaning, too. Rather than being a literal army...it could refer to an army that is invisible...molecular... and microscopic - such as the graphene oxide structures that scientists have found in vaccine vials under high-powered microscopes.
- The final Phrase #5 is the part that is the most disturbing. It concerns placing what’s called **“the abomination that makes desolate”** on the altar. It was *this* action that ignited the wrath of the Lord. The word “abomination” refers to an actual idol or the likeness of a disgusting and detestable thing pretending to be god...and the word “desolate” means “to bring about destruction.” This is what Antiochus literally did which was to carve an exact likeness of Zeus and put his statue on the altar of the Temple. Metaphorically, this would mean that the likeness of a false god is placed inside a person who attempts to “present himself to God as a living sacrifice,” as Paul wrote exhorted us to do in Romans 12. Deep within is a personal altar that we each have. *That’s* what the enemy was after: To put a false god on *that* altar!

An abomination of desolation has to be an *exact* likeness. It could be a picture...a carved statue...a fingerprint...or a DNA sample. All of those are exact likenesses. Now, with genetic engineering so advanced, we are able to splice a DNA gene from the blood of Satan himself....replicate it...put it inside a vial and inject it into humans. Yes, the thought is disgusting and diabolical...but with today’s technology, it is doable.

This was confirmed by a book I recently came across written by the Nobel Prize-winning chemist, Jennifer Doudna called [A Crack in Creation: Gene Editing and the Unthinkable Power To Control Evolution](#). She is the one who pioneered the CRISPR gene editing technology. As I was reading about all the trials and errors how they developed it, my antennas went crazy when I read this next sentence because it was the missing piece I'd been looking for. She wrote, "Viral vectors are one of the most effective ways we know to insert genes into a cell's genome and alter the genetic code of living organisms." (p.17)

Let me translate this scientific language. She used the term "viral vector" - that means the virus is a delivery system, like a UPS truck. And a virus, by its molecular structure, is genetically suited to carry a DNA gene from one organism into someone else's bloodstream and then alter their genetic code.

What was a shock for me to realize is that inserting the COVID vaccine into people was *not* the end game, as I and a lot of others have thought. Rather, the vaccine was the *means...* the vehicle through which the Elite could insert what they really wanted to get inside people's bodies: an actual blood gene from Satan himself. They needed a virus genetically created to do just that. Many may disagree with me but this is my conclusion based on the research I have done.

A blood gene from Satan would contain his exact DNA likeness and since he wants to be worshiped as god, this would qualify biblically as an "abomination of desolation."

Now if what I'm saying is really happening, I believe only the Elite know about it. I do not believe the majority of scientists and medical experts understand the diabolical purposes this technology is being used for. That's why Daniel warned that this Fourth Kingdom is "dreadful and terrible." (Daniel 7:19) But remember, we are dealing with entities who are not fully human. They know how to pull off something of this magnitude and those they choose to share this knowledge with are in very high international positions of power and wealth. The minions do their bidding and get rich, and the majority of people fall into a snare that is as old as time.

If this theory sounds preposterous, let me remind you that Jesus said "*the Day of the Lord would be just like the days of Noah.*" What happened *then*? The blood in over 99% of the people on the planet was polluted and compromised genetically by Nephilim blood which contained the DNA imprint of Satan. *This* is what ignited God's wrath to bring about the flood. And this is what Amalek's snare is designed to do: Anger God so much so that the door will be opened to destroy His people.

THERE IS GOOD NEWS IN ALL THIS!

If I stopped here, this story would be hopeless...but I have good news: If you or someone you love has taken the vaccine, I want to share some biblical tools for how to get out of this snare.

Before I share it, I need to explain that there are two snares at work here:

1. One snare is especially targeted to Jews. Those who do not know Jesus as the Messiah do not have access to the freedom that we have as believers. **What happens to Israel?** The Word teaches that Israel will become even more aligned with Amalek (i.e., the New World Order) just like in the days of the Roman Empire. The religious community will become more and more Hellenistic, turn away from the Torah, and fall deeper into deception. That will open the door for them to receive the man of sin,

believing him to be the Messiah - only it will be the Antichrist. This man will lead them in the rebuilding of the Third Temple. And finally, Daniel's prophecy will once again be fulfilled literally when the False Messiah turns against the Jews during the last half of the 7 years. That is the snare for the Jews.

2. Our snare is different and that's where I want to focus the rest of our time. *Let's use an example:* Let's say a woman named Suzanne Morris took the vaccine and regrets it and wants to cleanse herself from it. First of all, she needs to know two things: First, she needs to decide whether or not to have any more vaccines. There's no sense in confessing if she intends to get more. This has to be *her* decision. And secondly, she has to know what she's being accused of by the enemy to make a proper defense.

Satan would most likely bring her name before the Heavenly Council and say to the Almighty, "Consider Suzanne Morris...she is mine. She willingly took part of my blood...my DNA into her body. My mark is inside her! She chose of her own will to look to *me* for her protection against the virus, *not* You...so I claim *her* for myself." Now before you freak out...remember that the enemy is cunning and twists words for his own purposes. That's who he *is*!

Here's the issue: Suzanne accepted Jesus into her life and wants to follow Him. But the way this snare was designed, she now has Jesus AND the likeness of Satan inside of her. In 2 Corinthians 6:16, the Apostle Paul addresses this very issue, "*What agreement has the temple of God with idols? For we are the temple of the living God...Therefore come out from them, and be separate from them... says the Lord Almighty.*"

HOW DOES SUZANNE MAKE A PROPER CONFESSION?

This needs to be in her *own* words, but these are the 7 abbreviated points I recommend to make a good confession before the Courts of Heaven:

1. First, she would confess what she did and why - if she regrets taking the vaccine and trusting *that* to keep her safe rather than God...admit her error.
2. She needs to verbally pull down the genetic image that may have been placed in the vaccine and cast out any cellular, molecular part that belongs to the enemy in the Name of Jesus.
3. She must cancel every assignment the enemy has against her, confessing God's promise that "*No weapon formed against her shall prosper*"... and thanking God that "*this is the heritage of the servants of God,*" according to Isaiah 54:17.
4. She must place herself under the Lordship of Jesus the Messiah whose blood covers every sin and receive the promise given in I John 5:14-15 that says, "*This is the confidence which we have in him, that if we ask anything according to his will, he hears us. And if we know that he hears us in whatever we ask, we know that we have obtained the requests made of him.*"
5. I recommend she go to her pastor or a trusted minister to pray over her and anoint her to be cleansed from every defilement of body, soul and spirit and bless her as she re-dedicates her life to the Lord Jesus.

6. Dedicate herself to prayer and the study of God's Word each day and grow in the spiritual disciplines of our Jewish forefathers.
7. She should go forth and live her life freely before the Father, trusting that He is a merciful God and welcomes us when we repent.

If you have questions, please reach out to me using the [Contact](#) form on my website. I'll either answer your questions individually, or if there are a lot of questions, I will address them in a separate episode.

And because this teaching was heavy, I decided to make available a free transcript so you can study it for yourself. You'll find a link to that transcript in the description notes to this episode, [Uncovering The Ancient Snare, Part 5: The Abomination of Desolation](#). Feel free to forward this episode and transcript to others. You have my permission.

Romans 8:35 asks, *"Who shall separate us from the love of Christ?"* Shall a vaccine do that? No. Psalm 138 says, *"Though you walk in the midst of trouble, the Lord preserves your life. He stretches out His hand against the wrath of your enemies, and His right hand delivers you."*

Our Father is such a merciful God and understands the level of deception we wrestle with every day. God bless!
