

## The 3 Levitical Steps to Return to Service

*Note: If you are a minister who fell into the snare of the vaccine unknowingly and want to biblical purify yourself and return to service, these are the three Levitical Steps I revealed in this broadcast. (Broadcast link on last page.)*

### STEP #1: EXAMINATION

In order to do *t'shuvah* (biblical repentance), you have to address two things:  
1) What is the enemy accusing you of in the Courts of Heaven?; and  
2) What's in the Torah that has been violated?

The primary issue is that most devout Christians and Jews had no idea the vaccine could be dangerous – so they have no defense recorded in the Courts of Heaven. Some of you might say, "Jesus died for all my sins, I don't have to worry about this." That's lazy. We are each responsible to walk out our salvation. When we offend God, we have to name that sin and renounce it. That's when we apply Jesus' blood sacrifice to cleanse it.

The TORAH PASSAGE to look at is Leviticus 17:10-14 *"If any man of the house of Israel or of the strangers that live among them eats any blood, I will cut him off from among his people...For the life of the flesh is in the blood; and I have given it for you upon the altar to make atonement for your souls...(later on he repeats two more times) "for the life of every creature is the blood of it...and whoever eats it shall be cut off."*

First, you need to understand some of the Jewish doctrine around the passage. When the Lord uses the phrase, "if you do such and such, you shall be cut off," that doesn't necessarily refer to eternal damnation. Typically, it refers to pre-mature death.

Secondly, when it says, *"the LIFE of every creature is in the blood."* The Hebrew word for "life" is *nephesh* which means "the soul." Our forefathers teach that the blood of any creature contains its soul and because blood was used to cover or atone for our sin, it should never be taken inside the body.

NEW TESTAMENT PASSAGE is Acts 15:19-20: The early church wrestled with what to do with Gentiles who were coming to faith in Messiah... whether they had to do everything in the Law that Jews had to do. Here's how James – the Lord's brother who was the leader of the Jerusalem believers – answered. *"My judgment is that we should not trouble those Gentiles who turn to God, but should write to them to abstain from the pollutions of idols and from unchastity and from what is strangled and from blood."*

So, out of these 4 things (pollutions of idols, unchastity, meat that has been strangled – or not properly drained of its blood, and blood itself), the vaccine could pose danger in two out of those 4 Torah violations.

Judaism teaches that soul and body are miraculously intertwined. Therefore, by allowing the blood of another creature inside us, we destroy this union and the presence of this foreign blood begins to create destructive changes in the body.

## STEP #2: PURIFICATION

The key passage from which this section is taken is Nehemiah 13. Please read it. The Torah clearly stated that no Ammonite or Moabite should ever enter the assembly of God. So in essence, the High Priest Eliashib allowed forbidden blood into the Temple – opening a door to a curse and had no clue! Thankfully, when Nehemiah returned to Jerusalem, he discovered it.

Here are his words, *"I came to Jerusalem and I then discovered the evil that Eliashib had done for Toabiah, preparing for him a chamber in the courts of the house of God. And I was very angry, and I threw all the household furniture of Tobiah out of the chamber. Then I gave orders and they cleansed the chambers; and I brought back the vessels of the house of God back into that room. I chastised the officials and said, 'Why is the house of God forsaken?' And I gathered them together and set them in their stations."*

God could have wiped them all out....but through Nehemiah show us today how to purify your temples:

- Verbally confess what you did and renounce your decision to take the vaccine.
- Cast out everything belonging to a foreign DNA.
- Dismantle your spiritual altar and pull down every molecular activity that entered your body.
- Loose yourself from anything pertaining to the evil one and throw him off your altar.
- Verbally cast out and cancel every vestige of chem trails and stray nanoparticles that have assignment against you, confessing God's promise that "no weapon formed against you shall prosper, thanking God that this is the heritage of the servants of the Lord." (Isaiah 54:17)
- Place yourself once again under the Lordship of Jesus the Messiah whose blood covers every sin and ask Him to heal, cleanse and purify your body, soul and spirit.

## STEP #3: REDEDICATION

I recommend you ask a minister you respect to anoint you and rededicate you for the Lord's service. Accept the forgiveness that Jesus promises when we confess and return to your watch on the wall - praying over your assigned territory, closing every breach the enemy has made.

May the Lord bless you as you model before others how to be restored when we fall into a snare. It could happen to any one of us.

Our Father knows the wiles of the devil...He knows you would never have submitted willingly to such a scheme. Praise God for His Word which teaches us how to return and be restored to His service.
