Transcript of the Lessons in the Ladder Days podcast episode:

"Post-Pandemic Implications for Ministers" *(The Unseen Border Crisis No One Saw Coming)*

Today's episode is a difficult one. I've had sleepless nights because of it. First, I need to assure you that my message is not one of judgment. It is one of hope and restoration. By way of introduction: Not everyone who calls themselves Christians lives a consecrated lifestyle. The ones who do I refer to as Levites – meaning their desire is to live in the presence of the Lord 24/7. This way of life is very precious to the Father. And if you are a minister, *you* are precious to Him.

I wrote a book about this level of consecration called [The Levitical Calling](#) – which got some grief in Christian circles because many don't want to read anything related to the Old Testament. For those people, I invite you to look in the last chapter of Isaiah where the Lord says – after the 7 years of Tribulation are finished – that He is going to examine the Jews and Gentiles who survive and choose some of them to be priests and Levites. This tells us the Lord *has always* and *will always* have a Levitical people – men and women from every nation whom He has invited to live closest to Him.

When God brought His children out of Egypt into the wilderness, He arranged them in a very specific way. The Tabernacle containing the Lord's Presence was surrounded by 12 tribes – 3 on the North, 3 on the South, and 3 on the East and West. Their tents were all pointed toward the Tabernacle....but closest to it were 3 Levitical families (*the Kohathites, Gershonites and Merarites*) – collectively called the Levites. These Priests and Levites were His royal guard and given the privilege to steward the things that are precious to the Father. Jesus had His Levites as well. There were 12 apostles surrounding Him....AND there were 3 whom He invited closer to His inner sanctum: Peter, James and John.

Bottom line: the call of the Levite requires a different level of consecration than the average Christian experiences. It involves refining and purging anything that could defile. The reason I'm going into this is because one of Satan's primary strategies that I've taught for years – is

showing up today – and the strategy is this: *If the enemy wants to remove God from a place and enthrone himself there, all he has to do is DEFILE the Levites.* If he can entice them to invite something forbidden into God’s sanctuary, the enemy knows God’s Presence will leave.

What I finally saw in the middle of the night while tossing and turning over this episode is that the pandemic created an *Unseen Border Crisis No One Saw Coming....*and it relates to this strategy to defile the Levites. Pollute them....and God leaves the building. He removes Himself from our cities, leaving them wide open to all the evil, chaos and destruction we are seeing today.

You see, modern-day Levites are the preachers, teachers, intercessors, deliverance ministers, counselors, and worshippers. And we are given territorial assignments. God has us positioned all over this country, assigned to intercede for the needs of the geographical areas we live in. We are to be the godly watch on the wall all across the nation where we serve. We pray for blessings over the people and its leaders...we are spiritually trained to spot dangers and warn people against them...we engage in spiritual warfare against threats to our families and schools...and our homes are to be places of refuge where God’s Word is taught.

This is the Levitical charge.

IN 2020, THE PANDEMIC HIT

Most Christians were overwhelmed by fear and blindsided by the mandates...and millions gave in to the pressure and took the shots believing everything would be fine and they could go about their ministry travels and serve the Lord as usual. Sounds reasonable. It’s just a shot...or so we thought.

From a biblical timeline perspective, the vaccination invasion began during Chanukkah in 2020. This was the *same* way it happened with Antiochus Epiphanes in 168 BC: *same time frame, Chanukkah!*

Antiochus led the Roman army against the Jewish people. They invaded the Temple and polluted it by placing forbidden blood on the altar, along with an image of a false god. This made it an *abomination of desolation*. This means that God is bound by His own ordinances laid out in the Torah to destroy whatever place a false god is enthroned. That is what I see happening now.

In 2021, I had a revelation while I was celebrating Chanukkah. I was reading Daniel 11 taking note of the Antiochus scheme, step by step. It involved 5 phases:

1. an alliance...
2. an invasion against Jews...
3. a pollution of the Temple...

4. an image of a false god set up on the altar...
5. an abomination of desolation.

Suddenly, I *saw* the pattern repeated:

1. an alliance in 2020 between Pfizer and Israel...
2. an invasion by an invisible, molecular and microscopic army of graphene oxide...
3. a pollution of the bodily “temples” of millions of Jews...
4. a possible DNA gene from Satan himself hidden within the vials and set up on each person’s “altar”...
5. thereby becoming an abomination of desolation.

PREPOSTEROUS?

CONFIRMATION: Exactly 3 1/2 years later from the first vaccination during Chanukah 2020 was the last day of the festival of Sukkot on October 7, 2023 - the exact day when Hamas broke through Israel’s border!

Biblically speaking, Israel’s border was unattended because God’s people enthroned another god (*without their knowledge*) inside them. **That** was the diabolical scheme – the “**ancient snare**” prophesied by the prophet Daniel 2500 years ago – and it’s showing up now in the US.

What triggered this episode was a solicitation for donations from a ministry I have long supported. I highly regard its founder, but when I read the request for donations, I knew I could not financially support it knowing that many in the ministry had taken the vaccine. Of course, I respect everyone’s right to make their own decision about it....but for me to financially support it knowing what I know about the biological and spiritual implications, I could not.

To confirm that what I’m laying out here is both biblical and predictable, remember Jesus’ comparison of the very end of days saying it would be as it was in the days of Noah. This is exactly how it was then: *Nephilim blood was mixed with human blood...and 99% of the people became polluted...resulting in a Flood to cleanse the Earth.*

REMINDER OF LEVITICAL ENCAMPMENT

In the middle of the night, the Lord brought me back to the Levitical encampment lesson: I believe the reason the atmosphere has shifted is because so many Levites who had served as watchmen on the wall interceding for our cities have been polluted and defiled unbeknownst to them through this vaccine snare – and as it happened in Israel, the protective border came

down and the enemy gained access into our cities and is wreaking havoc. I see THIS as the *Unseen Border Crisis No One Saw Coming*.

SITUATION NOT HOPELESS FOR MINISTERS!

I want to lay out the biblical precedent God teaches us from the Torah in how to deal with this, for the situation is NOT hopeless!

There are 3 stages a Levite must go through: Examination...Purification...and Rededication. There is every hope that Levites who have fallen into this snare can be cleansed and restored to their watches on the wall of our cities. We desperately need the return of our Levitical buffer back on the watch. The survival of our nation depends on it!

STAGE #1: A LEVITICAL EXAMINATION. In order to biblically repent, you have to address two things: 1) What is the enemy accusing you of in the Courts of Heaven?; and 2) What's in the Torah that has been violated?

We know from Job 1 that Satan has free access into the heavenly councils and always brings accusation against us. Knowing how to make a proper defense before the Courts is an important spiritual discipline Christians need to know about.

The primary issue is that most devout Christians and Jews had no idea the vaccine could be dangerous – so they have no defense recorded in the Courts of Heaven. Some might say, “Jesus died for all my sins, I don't have to worry about this.” That's lazy. We are each responsible to walk out our salvation. When we offend God, we have to name that sin and renounce it. That's when we apply Jesus' blood sacrifice to cleanse it.

The abbreviated TORAH PASSAGE I want us to look at is in Leviticus 17:

“If any man of the house of Israel or of the strangers that live among them eats any blood, I will cut him off from among his people. For the life of the flesh is in the blood; and I have given it for you upon the altar to make atonement for your souls... (later it is repeated two more times) “for the life of every creature is the blood of it...and whoever eats it shall be cut off.”

First you need to understand some of the Jewish doctrine around the passage. When the Lord uses the phrase, *“If you do (such and such), you shall be cut off.”* That doesn't necessarily refer to eternal damnation. Typically, it refers to pre-mature death.

Secondly, when it says, *“the LIFE of every creature is in the blood.”* The Hebrew word for “life” is *nepesh* which means “the soul.” The belief of our forefathers is that the blood of any creature contains its soul and because blood was used to cover or atone for our sin, it should never be taken *inside* the body.

In the New Testament, this principle is repeated.

In Acts 15, the early church wrestled with what to do with Gentiles who were coming to faith in Messiah... whether they had to do everything in the Law that Jews had to do. Here's how James – the Lord's brother and leader of the Jerusalem believers answered:

“My judgment is that we should not trouble those Gentiles who turn to God, but should write to them to abstain from the pollutions of idols and from unchastity and from what is strangled and from blood.”

Out of these things – pollutions of idols, unchastity, meat that has been strangled (i.e., not properly drained of its blood), and blood itself – the vaccine could pose danger in two out of those four Torah violations.

ANOTHER INSIGHT

The other morning I went to the bathroom and while relieving my bladder, I was pondering one of the prayers devout Jews pray every day doing just what I was doing.

Here's the prayer:

“Blessed are You, Hashem, our God, King of the universe, who fashioned man with wisdom and created within him many openings and many cavities. It is obvious and known before your Throne of Glory that if but one of them were to be ruptured or but one of them were to be blocked, it would be impossible to survive and to stand before You. Blessed are You, Hashem, who heals all flesh and acts wondrously.”

That was such an interesting prayer that I wanted to learn more. The Sages explain that when God created man, He gave him the gift of wisdom; and secondly, God used wisdom in creating man through the delicate balance of the organs....writing, “It is wondrous that the spiritual soul fuses with the physical body to create a human being.”

Thus, Judaism teaches that soul and body are miraculously intertwined. By allowing the blood of another creature inside us, we destroy this union and the presence of this foreign blood begins to create destructive changes in the body.

Time doesn't permit repeating all my findings about the vaccine because I've been researching and writing about this issue since 2021 – but let me quote a section from the episode, ***Uncovering the Ancient Snare, Part 5 (The Abomination of Desolation)***:

“What Antiochus literally did was carve a likeness of Jupiter and put the statue on the altar of the Temple. An abomination of desolation has to be an exact likeness. It could be a picture...a carved statue...a fingerprint...or a DNA sample. All of these are exact likenesses of the person.

With genetic engineering so advanced now, we are able to splice a DNA gene from the blood of Satan himself....then replicate it... put it inside a vial and inject it into people. Yes, the thought is disgusting and diabolical...but what you

need to understand is that with today's technology, it is doable. A blood gene from Satan would contain his exact DNA likeness. We know that he wants to be worshiped as god...so a blood gene would qualify biblically to be an abomination of desolation."

This was confirmed by a book written by Nobel Prize-winning chemist, Jennifer Doudna, called [A Crack in Creation: Gene Editing and the Unthinkable Power to Control Evolution](#). Doudna is the one who pioneered the CRISPR gene editing technology.

As I was reading about the trials and errors in how they developed it and why, my antennas went crazy reading this next sentence because it was the missing piece I had been looking for. She wrote, "Viral vectors are one of the most effective ways we know to insert genes into a cell's genome and alter the genetic code of living organisms."

A "viral vector" is a delivery system, like a UPS truck...and a virus by its molecular structure is genetically able to carry a DNA gene from one organism into somebody else's bloodstream and alter their genetic code!

My shock was realizing that the COVID vaccine was not the end game, as I had thought. Rather, the vaccine was the *means* – the vehicle through which the highest echelons of power could insert what they really wanted to get inside the bodies of every Jew: an actual blood gene from Satan himself.

They knew how much this would anger the Lord and that He would leave them. Yes, this is despicable; but remember, these beings at the highest levels of earthly power are not fully human and do not think like you and I do. That's why Daniel called this final kingdom *terrible and dreadful*.

A PRACTICAL EXAMPLE

Let's say a minister named Suzanne Morris was an intercessor with oversight over a geographic territory and she takes the vaccine of her own free will but is ignorant of the dangers. Satan makes accusations against her in the Heavenly Councils and says to the Almighty,

"Consider Suzanne Morris. She willingly took part of my blood...my DNA into her body. She chose **me** to protect her against the virus, not **You**...so I claim her for myself and demand the territory she was assigned to guard."

Sadly, that would be a reasonable accusation in the Heavenly Court. Because Suzanne has not renounced her decision, God has no choice but to relinquish that territory into Satan's hands. This scenario would explain the exponential growth of evil, crime, murders and chaos all over the country.

What I am praying is for this episode to wake up the Levitical army who are still beloved of God but who are trapped in an ancient snare.

HOW TO BE SET FREE

STAGE #2: PURIFICATION. Would it surprise you to learn that our Jewish forefathers faced this exact crisis back in the days of Nehemiah and Ezra? God never leaves us without hope....He gives us a picture to learn from.

After the Temple was finished and ready to be dedicated, the nation found itself in a similar circumstance. You see, the high priest at the time, Eliashib, was connected to a powerful man named Tobiah, who was an Ammonite. Eliashib made a terrible mistake by not only allowing Tobiah inside the Temple – he actually let him move into one of the apartments and *live* there!

In Nehemiah 13, the whole thing was brought to light when they read the Torah out loud. The Torah clearly states that no Ammonite or Moabite should ever enter the assembly of God. So in essence, the High Priest allowed *forbidden blood* into the Temple – opening a door to a curse and had no clue!

Thankfully, when Nehemiah returned to Jerusalem, he discovered it. Here are his words,

“I came to Jerusalem and I then discovered the evil that Eliashib had done for Tobiah, preparing for him a chamber in the courts of the house of God. And I was very angry, and I threw all the household furniture of Tobiah out of the chamber. Then I gave orders and they cleansed the chambers; and I brought back the vessels of the house of God back into that room. I chastised the officials and said, ‘Why is the house of God forsaken?’ And I gathered them together and set them in their stations.”

He ended by saying, *“Remember me, O my God, concerning this, and wipe not out my good deeds that I have done for the house of my God and for His service.”*

God could have wiped them all out....but through Nehemiah shows us today how to purify our temples if we have fallen into this snare:

1. Verbally confess what you did and renounce your decision to take the vaccine.
2. Cast out everything belonging to a foreign DNA.
3. Dismantle your spiritual altar and pull down every molecular activity that entered your body.
4. Loose yourself from anything pertaining to the evil one...and throw him off your altar.
5. Verbally cast out and cancel every vestige of chem trails and stray nanoparticles that have assignment against you, confessing God’s promise that “no weapon formed against you shall prosper, thanking God that this is the heritage of the servants of the Lord according to Isaiah 54:17.
6. Place yourself once again under the Lordship of Jesus the Messiah whose blood covers every sin and ask Him to heal, cleanse and purify your body, soul and spirit.

STAGE #3: REDEDICATION. I recommend you ask a minister you respect to anoint you and rededicate you for the Lord's service.... accept the forgiveness that Jesus promises when we confess...and return to your watch on the wall - praying over your assigned territory. Close every breach the enemy has made.

May the Lord bless you as you model before others how to be restored when we fall into a snare. It could happen to any one of us.

Our Father knows the wiles of the devil. He knows you would never have submitted willingly to such a scheme. Praise God for His Word which teaches us how to return and be restored to His service.

If you want to share this episode, you can refer others to listen to [Post-Pandemic Implications for Ministers](#). You may listen anytime to my free podcast series, [Lessons in the Ladder Days](#). God bless.
