(Host & Producer)

Founder, auDEO Media Group LLC
Producer & Host of "Lessons in the Ladder Days"

MATT McKEOWN is the Senior Pastor at First Church in Holly Hill, Florida and holds a Bachelor's of Pastoral Counseling and a Master's in Practical Theology. Having a passion for studying Messianic Judaism and living a Messianic lifestyle, Matt has an ordination as Moreh Torah (Torah teacher) and serves as the International Director of Ahavat Ammi Ministries under Rabbi Itzak Shapira. The Lord is using him to be a bridge between the Christian world and the Jewish world. It is his desire to see Jewish people recognize Yeshua (Jesus) as the Jewish Messiah and for Christians to recognize the Jewish foundation of their faith.

THE KINGDOM READY SERIES is our programming "variable." It will feature various teachings, mini-series and interviews throughout the year on practical, timely topics given how close we are to The Day of the Lord. They include: *Lessons from The Levitical Calling* for those the Lord is calling to be trained for their role in the Kingdom. . . An interview series with financial experts called *Getting Your Affairs In Order Before the Rapture*. . . and *A Journey Into The Hebrew Language* which helps us learn God's language. The Teachers and Experts will vary according to their respective areas of expertise.

Shabbat Shalom is a 3-hour radio program that is the culmination of my life's work preparing others for the Messianic Kingdom.

Many listeners expressed a desire to learn *how* to study the TORAH and reconnect with His ways. To that end, I am partnering with Salem Boston and these gifted teachers who will contribute teaching segments each week.

Our vision is to offer you 50 weeks of TORAH Study (covering all the Torah) as well as teach other foundational Hebraic concepts. Each hour features two teachers. Together we help you reconnect with our rich Jewish heritage and honor the LORD on His day!

ANDREW GABRIEL ROTH, Founder of One Faith One People Ministries, is a historian, scholar and translator with a passion for biblical history, politics, ancient languages and archaeology. Born in NYC, he was raised in his Jewish-Hebrew culture and became a believer in Yeshua the Messiah in college. For more than two decades, as a teacher, author and international speaker, Andrew has used his expertise in biblical Hebrew and Aramaic to transport people back to the original context – bringing a much-needed clarity to the New Testament through the use of Aramaic sources. His segments will address the most misunderstood passages in the New Testament. (www.onefaithonepeopleministries.com)

RABBI MICHAEL WASHER is a gifted Messianic artist raised in a reform Jewish home. Born again in 1979 and seeing the disconnect of Yeshua (Jesus) from Judaism, he began illustrating details of the Jewish world he was learning in the Bible and replanting Yeshua into that world. He studied Art History along with Judaism and developed a body of art and teachings showing Judaism as "Pictures" from which to learn. This unique lens allows him to see the New Testament in a deeper way and help the Jewish people recapture ownership of the image and understanding of the Jewish Messiah, Yeshua. CANDACE LONG (MBA) is an ordained Marketplace Minister who has been teaching since 2004. In 2006, the Lord called her to study Judaism and become Torah-observant. She has 50+ years of accomplishments as a Writer-Producer in the Arts and Business sectors. Having studied the biblical end of days for 35 years, she felt called in 2021 to produce *Lessons in the Ladder Days* and air on radio stations in the "land of her forefathers" to prepare listeners for the Day of the Lord. The response from listeners so exceeded expectations that she is emerging as one of today's most thought-provoking teachers, applying what she learns in Torah study to what we are living through today!
