Rabbi Michael Washer is a gifted Messianic artist. He was raised in a Reform Jewish home, and was born again in 1979. Soon afterwards, he began intensive Jewish studies because he was troubled by the disconnect of Yeshua (Jesus) from Judaism. Out of this came an enormous body of both thought-provoking teachings and artwork. All of it is based on the perspective of "Judaism as a set of Pictures or metaphors of all heavenly things". His vision is to assist people in breaking free from Hellenism (the way of the Greek) to prepare for the Messianic Kingdom.

WHEN ALL THE PICTURES ARE RESTORED The culmination of more than 25 years of study, this book begins by revealing Judaism not as a laws to be obeyed, but as a set of "Pictures"— metaphors of spiritual things that cannot be communicated in any other way. Then, that full set of Pictures is examined as we travel through the entire cycle of the Jewish year. All of it is seen as fulfilled in the person of Yeshua (Jesus). Even beyond that, the culmination of that Plan is the "Day of the Lord", ("the Millenium") the Sabbath of God; the 7th Day, the time of which all Scripture speaks, when all of Judaism – the Pictures – will be finally restored.....**1070 pages, over 100 Illustrations**

OBEDIENCE OR UNDERSTANDING Companion to PICTURES, this little book is a myth-shatterer! In both Judaism and Christianity there is a mythology: that both the words "obedience" and "commandment" are Biblical words—biblical concepts. They are not. Israel was not told to 'obey' but to 'listen' (*sh'ma*) to the "set-up things" (*mitzvot*). They were told to actually listen to the acts of Judaism themselves—inanimate objects; things they create; events on a calendar; the cycle of the moon; feasts and fasts, etc. The one who listens to the *mitzvot* talk and teach is promised "The Blessing"—the knowledge of God.

THE GOSPEL OF ZION In this book, the author examines the evidence in the Scriptures from a Jewish perspective to show that the Gospel as it was presented by Paul the Apostle ("Rabbi Sha'ul") is very different from the Gospel as it is currently presented in our day. So what is the Gospel and what was the Gospel to ancient Israelis? The author shows that the Gospel was seen only in the ways of Israel - that is, in "Judaism", even after Yeshua (Jesus) came. Its message is seen in Jerusalem, that mountain of the Temple shouting its message to the world. But there was also a strange, and hidden mystery in the Gospel--its ultimate truth that tore first century Israel apart. It is a story of the wrong person in the wrong place, at the wrong time being INVITED into the very presence of God.

TORAH & SPIRIT ARE ONE The Torah was given on the festival of Shavuot & God poured out His Spirit on the same Festival -- Abraham did Judaism 430 years before the Torah was given & it was the Holy Spirit that taught him to do it. --There were two Covenants made at Mount Sinai; one of Torah as "law" & one of Torah as "Spirit"-- Israel is God's Vine, & Yeshua (Jesus) called Himself the Vine.--The Bible calls both the Torah & the Holy Spirit Water--A dove did not descend on Yeshua as the Spirit, but a bird called "Torah". This book provides a solution to the historical chasm between Christianity and Judaism: 7 biblical witnesses that reveal that the foundation of Judaism, Torah & the Holy Spirit are exactly the same!

HELLENISM AND JESUS The first in a series of books I am writing to shatter the most commonly held myths in the "Christian" world, these books are resources to help restore the Jewish root to the Believers world. This book exposes the historical, factual basis to show that the image of "JesusChrist" is actually the image of the false messiah--an image born in Hellenism (the way of the Greek). It is impossible to overstate the effects of Hellenism on the "Church", and this book reveals this insidious anti-Jewish force and how it transformed Yeshua the Jewish Messiah into the Greek idealized god-man, and removed Judaism from God's Jewish Body.....**89 pages**
